Buffalo County Question

A vote "for" this question means that the present township organization would cease in Buffalo County and the Buffalo County Board of Supervisors now comprised of seven members in seven districts would become the Buffalo County Board of Commissioners and be comprised of seven members in the seven districts that now exist.

A vote "against" this question means that the Buffalo County Board of Supervisors and existing township organization as they now exist would continue to exist.

The Buffalo County Board of Supervisors, by resolution, has referred the following question to the voters of Buffalo County:

"Shall Buffalo County continue township organization of this County or discontinue township organization of this County and create a seven-member County Board of Commissioners effective at the expiration of the third calendar year following this election?"

- For discontinuance of township organization and creation of a seven-member County Board of Commissioners
- Against changing to a commissioner form of county government

Village of Shelton Proposition

Should the Village of Shelton, Nebraska, issue general obligation bonds not to exceed \$400,000.00 to be paid by the property tax levied by the Village upon all real estate located within its corporate limits for purposes of acquiring a new fire truck to be used by the Shelton Volunteer Fire Department in conjunction with the Rural Fire Department in accordance with the current interlocal agreement?

A vote "for" the proposition will allow the issuance of up to \$400,000.00 in general obligation bonds.

A vote "against" the proposition will prevent the issuance of up to \$400,000.00 in general obligation bonds.

- For
- Against
